DEQSTER Dual Charger 45W

60-DC45

Overview

The DEQSTER 45W GaN Charger 2C uses 3rd generation GaN technology, integrated overvoltage protection and DEQSTER Intelligent Power Distribution. Thanks to its Over-Temperature protection, it is a particularly safe and powerful USB-C charger with
two ports for the reliable power supply of compatible devices. With a total output of up to 45 W, it is ideal for use in educational
settings and on the go. Thanks to the two USB-C ports, two devices can be charged at the same time. Support for various output
profiles and PPS ensures flexible charging performance. The robust housing made of flame-retardant PC material provides additional
safety in everyday use.

Highlights

- 45 W total output: Reliable power supply for compatible USB-C devices at school, work and on the go
- Over-Temperature Protection
- Integrated overvoltage protection
- 3rd generation GaN technology
- DEQSTER Intelligent Power Distribution
- Two USB-C ports: Enables simultaneous charging of two devices with a power split of up to 20 W + 20 W
- Versatile charging profiles: Supports USB-C output profiles from 5 V to 20 V as well as PPS for flexible and compatible power delivery
- Robust housing: Made from fireproof PC material and designed to withstand drops of up to 1 m

Compatibility

Compatible devices	All devices with USB-C port

Key Specs

Color	White
Materials	PC
Item weight net	85,8 g
Functions	Charge
Certifications	CE, RoHS, GS-certified, FCC, UK CA
Output Specifications	Input: 200–240 V~ / 50–60 Hz / 1,0 A Output USB- C1/C2: 5 V/3 A, 9 V/3 A, 12 V/3 A, 15 V/3 A, 20 V/2,25 A (max. 45 W) Power Output per Port: USB-C1: 20W, USB-C2: 20W
Country of origin	China
Manufacturer Warranty	24 Months
Packaging Components	1x DEQSTER Dual Charger 45W

SKU	Product name	Power Plug
60-3263	DEQSTER Dual Charger 45W , EU-Plug (Type-C), White
