Mighty Line Floor Tape is 50 MIL thick and made of PVC material with a peel-and-stick, adhesive backing. Mighty Line tape does not leave any residue during removal. To apply the tape, peel the liner off and stick it to a clean, dry surface. The tape is warrantied to stay down for 3 years. There is no wait time – industrial wheel traffic can continue immediately. Mighty Line tape has beveled edges, making for a smoother transition. With our tape being as thick as two credit cards, it is meant to replace the use of paint and thinner tapes within the warehouse.
