Product Description

ABENA's user-friendly laundry capsules make laundry a breeze by giving you the right dosage of detergent with minimal effort – every time. The washing capsules provide a reliable wash for all your clothes, towels, bedding, etc.

Specifications

Base name	Laundry capsules
Brand	ABENA
Sub-Brand	Puri-Line
Features	Color and white, 36 pcs.
pH value (conc.)	8,1 - 9,3
Weight, net	794 g
Certificates	Nordic Swan Ecolabel. Asthma Allergy Nordic.
Directives, regulations and acts	(EC) 1272/2008, (EC) No 648/2004
Dosage Instructions	Dosage depends on how dirty the clothes are and the hardness of the water. For ordinary, dirty clothes and soft/semi-hard water, only one washing capsule is recommended. If the clothes are very dirty, the water is hard or the washing load is large, it is recommended to use two capsules. Place the detergent capsule at the bottom of the drum under the clothes - not in the detergent drawer.
Washing Instructions	Should be used for washing programs at min. of 30°C

Instructions for use/application

Place one laundry capsule at the bottom of the drum for a normal load and soft/medium hard water. For very dirty clothes, hard water or a very large load, place two washing capsules at the bottom of the drum. The laundry capsule must not be placed in the detergent compartment. Run the washing machine on the recommended laundry cycle.
