Clear Dry Classic

Neutral rinse additive for industrial dishmachines

Performance

- Suitable for all tableware
- In combination with Ecolab warewashing detergents the hygienic, sparkling clean results are guaranteed
- Sparkling results especially in soft and middle hard water conditions

Efficiency

- Specially developed de-foaming formulation increases the dishwashing mechanical action and machine efficiency
- The highly concentrated formula gives very low in-use cost-saving time and space

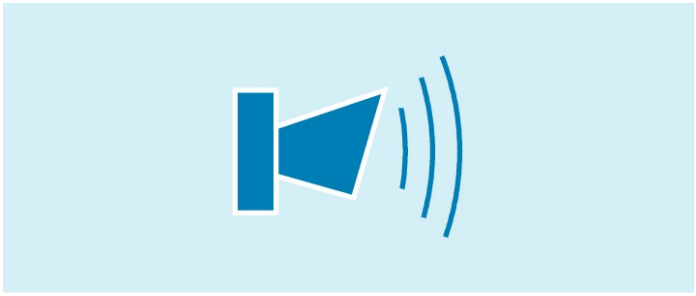
Safety

- An optimum wetting surfactant system ensures fast drying of tableware leaving no moisture which minimizes the risk of bacterial growth

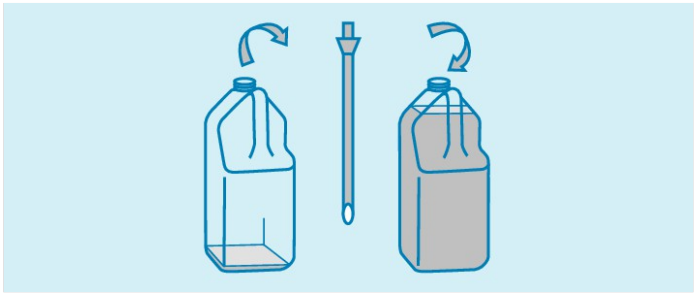
Use instructions

1. Check hygiene plan, product label and MSDS for detailed use information.

2. Wear suitable protective clothing when handling the product.



3. If the alarm sounds, stop the machine.



4. Carefully take out the suction pipe. Unscrew the closure from the new jug, insert the suction pipe and place the jug back in the jug holder.

Special notes

- If the "empty product" warning device is not installed, check the rinse additive level daily and change bottles when necessary
- Only for use with Ecolab Dosing Unit. Your Ecolab specialist will adjust the dosing system to your specific cleaning needs.
- **For professional use only.**

Safety information

- Do not mix with any other product.
- For further information and safety instructions, please see the product label and Safety Data Sheet.

Storage conditions

- Store between 0 °C and 40 °C in original closed container only
