Item number 6168

Hand towel roll, ABENA Care-Ness Excellent, 1 layer, Midi, 300m x 20cm, Ø18.5cm, white, 100% Cellulose, without core

- ✓ Hygienic alternative for drying hands
- ✓ Maximum absorbency
- ✓ More hygiene and less consumption
- ✓ Smart and practical packaging

Product Description

This paper towel roll is for anyone who's looking for the best quality surface wiping paper! ABENA's Care-Ness Excellent range is made from 100% virgin fiber, which guarantees maximum absorbency, the softest texture, and a product that is economical to use. In other words, a good alternative for anyone who wants to reduce consumption out of consideration for the environment. The paper towel roll can be used for wiping all kinds of surfaces. The roll is coreless, and therefore designed for a centerfeed dispenser.

Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

The glass-fork-symbol guarantees that products live up to the demands stated in the European legislation for food contact materials. The symbol is not mandatory but advised on products used for food contact.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions, and public organizations. The purpose is to make it easier for the public sector to buy environmentally friendly products.
